why has human history been crowded into the last few thousand years why has it happened at all could it have happened in a radically different way what should we make of the disproportionate role of the west in shaping the world we currently live in this witty intelligent hopscotch through human history addresses these questions and more michael cook sifts the human career on earth for the most telling nuggets and then uses them to elucidate the whole from the calendars of mesoamerica and the temple courtesans of medieval india to the intricacies of marriage among an aboriginal australian tribe cook explains the sometimes eccentric variety in human cultural expression he guides us from the prehistoric origins of human history across the globe through the increasing unification of the world first by muslims and then by european christians in the modern period illuminating the contingencies that have governed broad historical change a smart literate survey of human life from paleolithic times until 9 11 edward rothstein the new york times

thorough coverage and thoughtful analysis of each presidency from theodore roosevelt to bill clinton school library journal

western civilization began in the middle east judaism and christianity as well as islam were born there for over a millennium the islamic empires were ahead of the west in learning technology and medicine and were militarily far more powerful it took another three hundred centuries for the west to catch up and overtake the middle east why does it

seem different now why does osama bin laden see 1918 with the fall of the ottoman empire as the year everything changed these issues are explained in historical detail here in a way that deliberately seeks to go behind the rhetoric to the roots of present conflicts a brief history of the middle east is essential reading for an intelligent reader wanting to understand what one of the world s key regions is all about fully updated with a new section on the iraq invasion of 2003 the question of iran and the full context of the isreali palestine conflict
